Special Mentions

This portion of the registration is strictly optional and will only be used by tournament staff to bring attention to any people or sponsors during the weigh-ins and any specific rewards. While we will do everything we can to mention what is listed, it is ultimately up to the discretion of tournament officials whether or not any information listed is appropriate to be announced and if there is the time available to mention them.

Family, Friends, and Sponsors

In the box below, please list anyone that you feel has helped you be able to compete in the tournament.

What is something special about your team?

Is there anything that may set your team apart from others or anything that you may want shared.
Ex. Father and son team, first time competing in the tournament, how long have you been competing, etc.

Music Selection

If you make it into the top ten after the first day, is there any specific song that you would like to be played during your entrance to the weigh-ins on the second day?

Equipment

While this portion is strictly optional, you may be ineligible to receive any awards for specific circumstances if we do not know this information, ex. The team with the largest catch using a Yamaha motor.
